

At Studio KaMotion we take safety seriously always. Now in the time of Corona we have downsized our group classes to fit students with a minimum of 1.5 meter social distancing. We ask that students do not come early or stay late after class in the waiting room and rotate in a clock wise direction when entering & exiting the studio as per directed.

All students are preregistered for both group and private classes and instructed NOT to attend if any Covid symptoms are present. This too for the teacher.

All mats & materials & equipment will be thoroughly cleaned after each class or client. The ventilation system is working at full capacity as well as the airco/heating unit.

No physical contact will be made during class and If the client requests using a mask I will of course comply.

Due to the extra cleaning measures classes may finish a few minutes earlier than usual to allow for cleansing and changing.

Records of attendees will be kept and IF any report of sickness occurs- the participants will be informed as soon as possible.

Use of own towel or mat is of course optional.
